

# AXIS FOAM

## FOAMING DEGREASER-CLEANER FOR AGRICULTURE

- High efficiency on greases, dust, and all types of dirt.
- Compatible with food contact.
- May be used with a foam gun.
- Very foaming.
- Emulsifies and dissolves persistent oils and greases.
- Very concentrated, use at 1% - 2%.
- Biodegradable and non-corrosive product.

### INSTRUCTION FOR USE:

Dilute AXIS FOAM between 1% and 2% in water, and spray it with a back spray or a pressure machine on the walls and any other surface to clean.

Rinse after cleaning and then use a disinfectant (DESOGERME AGRICHOC, MICROCHOC...).
